## **WireCrafters**

AMERICA'S Leading Manufacturer of Wire Cages, Enclosures and Partitions

### **RackBack® Safety Panels**

Protect workers and equipment from falling items with WireCrafters RackBack® pallet rack backing panels. RackBack® wire mesh panels bolt directly to the back of your existing pallet rack uprights, creating a sturdy barrier between stored items and the ground below.

### **Machine Guarding**

WireCrafters® offers both woven and welded wire mesh machine guarding and perimeter guarding systems to protect and separate property, equipment, and personnel. WireCrafters® Machine Guarding Systems are available in 5', 8', 10' and 12' or any height you require.

### **Security Cages**

Wire partitions can be used for securing all types of equipment, inventory, and products within a facility. Secure storage cribs for inventory, janitorial supplies, and your most valuable items can be constructed with WireCrafters wire partitions.
